CRIME 1/17/13 The Sacramento Police Department is looking for new police officers less than a year after more than a dozen were laid off. **CRIME 1/28/13** It has turned into a crime epidemic. Vandals hitting cluster mail boxes up and down the Central Valley. The most recent events in the Pocket and Natomas areas are not only at night, but in broad daylight. **CRIME 1/29/13** Governor Jerry Brown now has until the end of the year to reach a mandated cap of 110,000 inmates in the state's 33 prisons. **CRIME 3/3/13** An arrest was made today in the brutal killing of a 9-year-old boy. The boy's father is accused of killing his son with a hatchet in their Natomas home. **CRIME 3/15/13** According to the FBI, Sacramento is among the top five cities in the nation experiencing an epidemic of human trafficking. Girls as young as 12-year's old are targeted by pimps.

COMMUNITY 1/17/13 The mayor was on hand today opening a new shelter for women and children. The St. John's Shelter is more than twice the size of the current one, offering services to more than 1200 women and children each year. **3/12/13 COMMUNITY** After the city council voted to make over the 700 block of K Street, they are asking residents to share their vision of the downtown plaza area. **COMMUNITY 3/12/13** The West Sacramento Fire Department is accepting applications today at city hall. The Mayor says they have several positions to fill. **COMMUNITY 3/15/13** San Joaquin County is ranked number one for youth homicides in the entire state. The study includes murder victims ages 10 to 24, and was based on statistics from 2011. **COMMUNITY 3/14/13** Another hate crime in the city of Davis as a man was beaten on his way home from a party. Other investigations include a noose hanging on the high school goal post, a swastika painted on a bike trail on Interstate 80 and "KKK" etched on the hood of a parked car. No arrests have been made.

ENVIRONMENT 1/26/13 Water agencies are calling on the State to create a new plan for funneling water through the delta. The agencies want a scaled-down version of the Governor's plan. **ENVIRONMENT 2/27/13** Our dry start to the year is now breaking records. Tahoe City is recording the driest January and February, and walnut farmers plan on starting irrigation in April instead of the usual month of June. **ENVIRONMENT 3/15/13** Cal Fire says that lack of moisture with an increase in temperatures has dried out vegetation in much of Northern California. They are urging locals to use caution when burning debris. **ENVIRONMENT 3/19/13** Two hundred sixty acres in Sutter County have sparked debate over the proposed building of a solar power station and locals who want to keep the 260 acres as prime farmland. If given the green light, the panels will provide up to 40 percent of Yuba City's power. **ENVIRONMENT 3/28/13** The fourth and final snow survey completed today shows snow levels at 52 percent of normal level, which is not a good sign for farmers who say it is already hurting the wheat crop. The snow pack provides one-third of water to California homes and farms.

ECONOMY 1/29/13 Fines generated from parking tickets are dropping dramatically this year. It's creating a one-point two million dollar deficit in the city's budget. **ECONOMY 2/6/13** A large expansion of the Trincherro Family Estates Winery in Lodi will bring as many as 400 new jobs to the area in the next two to three years. **ECONOMY 2/22/13** With the rise in gas prices, many businesses are making changes to their operations. Construction companies are now making bids over the phone if it involves a lengthy drive. An auto sales company owner now requires people to fill up after a taking a long test drive, and a limousine company now charges ten to fifteen dollars more per hour. **ECONOMY 3/14/13** After 80 years, the Coca-Cola bottling plant located on Stockton Boulevard will be closing by mid-summer. Sixty

employees will be laid off. **ECONOMY 3/24/13** Stockton could become the biggest city in the country to enter bankruptcy. The city's trial begins tomorrow.

EDUCATION 1/16/13 Today Governor Brown is pushing California universities to put more courses online. He says offering more online classes will make higher education more accessible and affordable.

EDUCATION 2/22/13 Seven schools in the Sacramento Unified School District will close at the end of this school year. The school board voted 4 to 3 in a meeting early this morning, to close the schools, saving 1 point 5 million dollars.

EDUCATION 2/27/13 Teachers in the Galt Elementary School District will soon have the option to be trained to use a gun. The school board voted five to zero tonight to offer the training, but did not vote on whether teachers should actually have guns in the classroom.

EDUCATION 3/8/13 The Roseville City Council unanimously approved adding two more officers to increase police presence on the district's campuses.

EDUCATION 3/26/13 A dramatic decline in enrollment at California's Community Colleges being blamed on state budget cuts. Courses dropped 21 percent during the school year, and summer school offerings fell 60 percent as campuses reduced teaching staff.
